1969

HELENA HIGH SCHOOL

TIMBERLAKE, NORTH CAROLINA

## FOREWORD

Although we are few in number, we look back over our years at Helena and remember the many happy moments we have shared together here.

In these halls and classrooms, we have been taught the responsibilities and demands that will face us in the years to come. May these memories be ever dear to our hearts and help sustain in us a determination to serve mankind to the best of our abilities.

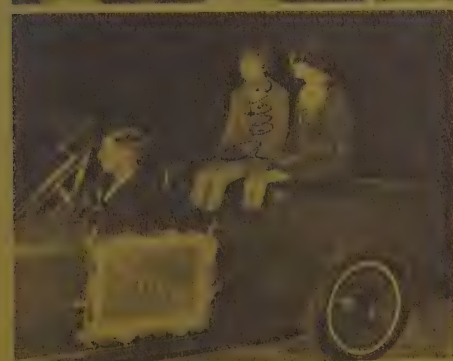

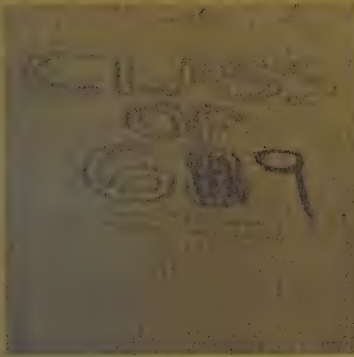

We offer this yearbook to the graduating class of 1969 in hope that we will remember the impressionable years spent at our Dear Alma Mater.

*Hail, hail, the gang's all here . . .*

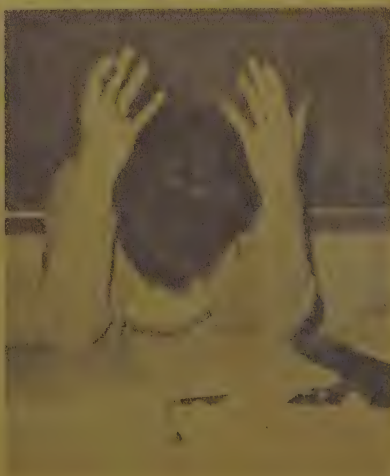

*And we shall reign forever and ever . . .*

*There's too many chiefs and not enough Indians  
'round this place.*

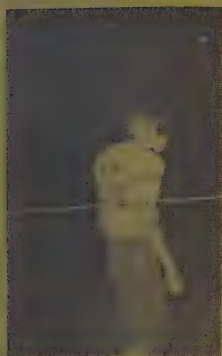

*It's hard to run this reservation right—  
Cause you stay on the warpath day and night . . .*

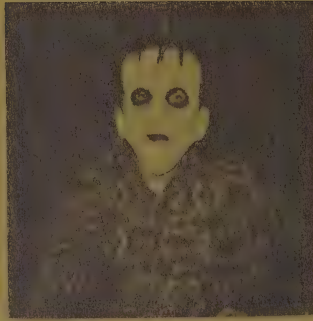

*Those were the days, my friend . . .  
we thought they'd never end . . .*

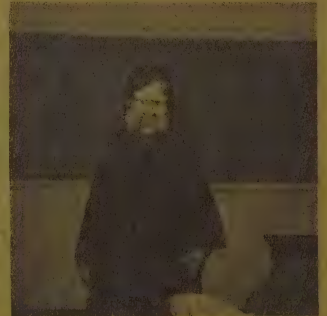

*The night we tore the goal post down . . .*

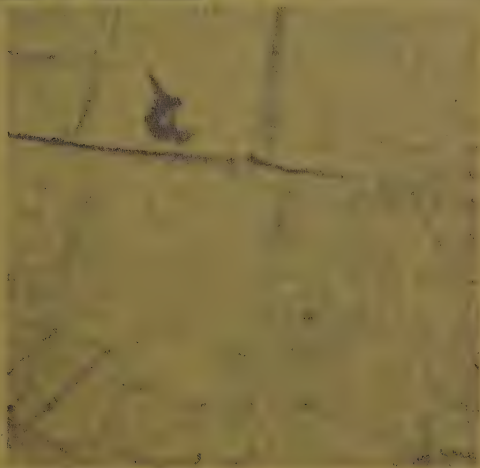

*Ding dong the witch is dead...*

*She's gone where the goblins go...*

*Monday, Monday, can't trust that day . . .*

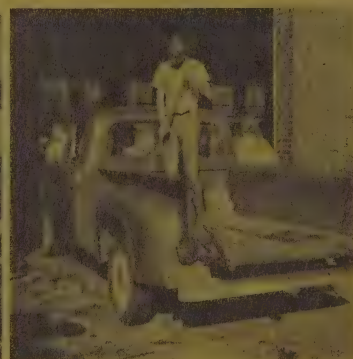

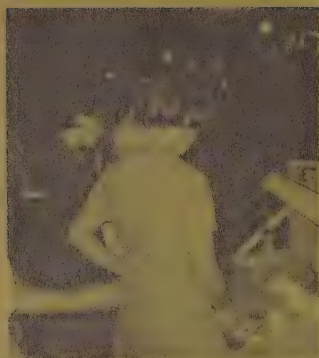

*But, darling, most of all, I love how you love me . . .*

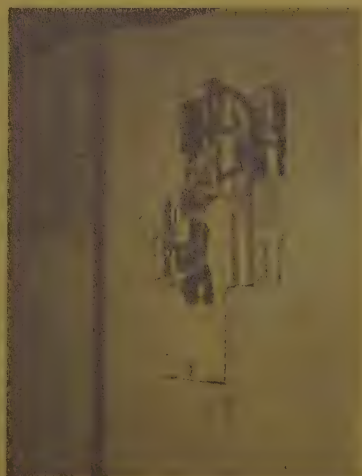

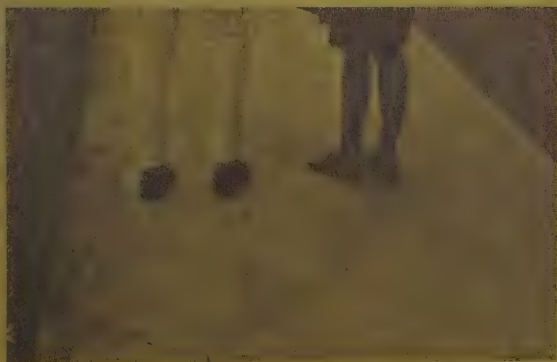

*Little arrows in your clothing, little arrows in your hair,  
when you're in love, you'll find those little arrows everywhere . . .*

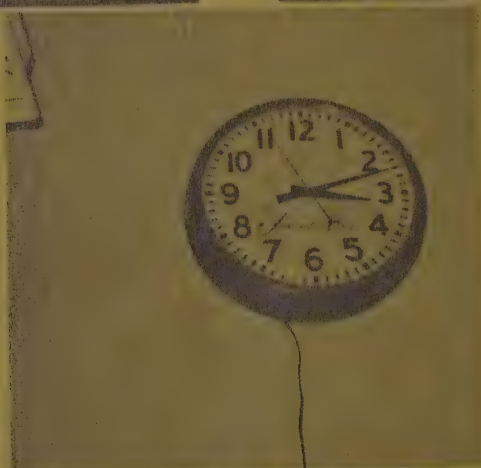

*People who need people are the luckiest people in the world...*

*There have been some changes made, baby . . .*

Brenda

See you in September ....

# DEDICATION

We, the Senior Class of 1969, dedicate this volume of the Hornet to

MRS. KYLIE CRANFORD

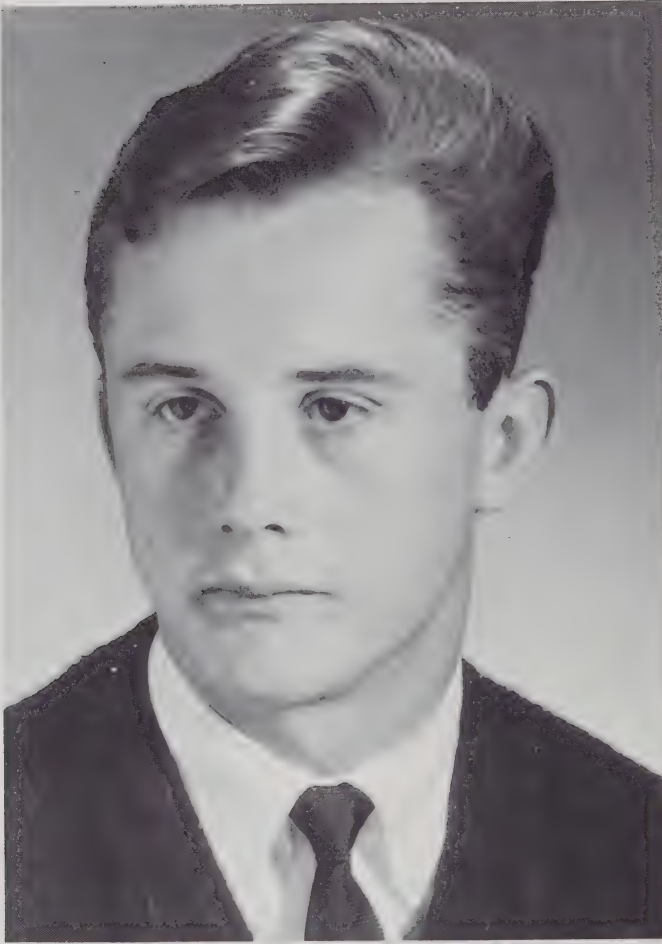

She has been a great help to us not only as a teacher but as a friend and advisor. She has generously sacrificed much of her time to make this annual possible.

We would like to express our appreciation and thanks for all the help she has given us.

May her life be filled with happiness.

# IN MEMORIAM

## Harold Bradley McBroom

June 27, 1951 — November 6, 1967

Son of Mr. and Mrs. Harold T. McBroom, Bradley was a beloved and devoted student here at Helena High School. He was the type of person who believed in finishing anything no matter what the outcome may be.

Bradley loved to participate in all sports and worked very hard to accomplish his goals.

Bradley was a severe Loss to the Senior Class, and the Seniors acknowledge and regret that Bradley will not be present for the graduation of the 1969 Class of Helena.

# PRINCIPAL

Mr. Glen N. Titus

We live in a world of unbelievable scientific achievements and an affluence only dreamed of by most societies. Yet our society as a whole is not a happy one. Our formula for evaluating the caliber of a society seems to be based only on material goods and scientific achievement. Of equal importance in this evaluating formula are such personal attributes as morals, character, spiritual concepts, and individual responsibility. If our society is to progress, these must be commensurate with material gains and technological advance.

Each of us has an inherent obligation to ourselves and our society to develop our personal attributes, abilities, and capacities to the fullest to insure that our contribution to society will promote the general welfare of mankind.

 Always good to know that there

Randy,

The best thing about you  
is the way the play basketball.  
I like you very much for a  
preind. The are great.

pre  
Randy,  
You are very stupid,  
dumb, crazy, and such.  
But there is one thing  
You're my friend and a good  
Basketball player.

Randy

in the history of college basketball  
 got some great players - Carl Richard  
 especially last night  
 seeing you guys  
 playing you guys  
 at the pool  
 and the  
 clearing the  
 no count  
 even though they  
 were the worst team  
 State & UCLB  
 they didn't  
 know the  
 rules  
 and the  
 pool  
 and the  
 clearing the  
 no count  
 even though they  
 were the worst team
